Key terms and Skills	
Warm-Ups	Before you start signing, it's important to warm up your voice. Warming up your voice stretches your vocal chords and helps clear your throat.
Chorus	The chorus of a song is meant to be the most memorable part, containing the ultimate message of the piece
Verse	A verse is a repeated section of a song that typically features a new set of lyrics on each repetition.
Harmony	The sound of two or more notes heard at the same time. Our aim is for the notes to sound nice together however this is not always the case.
Solo	A solo is a piece or a section of a piece that is played or sung by a single performer. This performer is called a soloist. A soloist can be a singer or an instrumentalist.
Ensemble	A musical ensemble, also known as a music group or musical group, is a group of people who perform instrumental or vocal music.
A cappella	Music is a performance by a singer or a singing group without instrumental accompaniment.
